#### Day 2 Santa Marta/Ricardito Camp

Wake up and hit the road to the village of El Mamey where your trek to the Lost City of Teyuna begins. Trek through farmland, steamy jungle, and rural Kogi communities. Enjoy and let it all soak in – this is your opportunity to get a glimpse into the local way of life in the remote river valleys of the Sierra Nevada Mountains. The group will have lunch at the village and hike about 4 hours to the first basecamp.

#### **4x4**

Santa Marta – Machete Pelao

Roads? Where this rough-and-ready vehicle's going, we don't need roads.

#### **Lost City Trek Day 1**

Machete Pelao – Ricardito Camp 4h-5h 7-8km

Leave Machete Pelao and start trekking through the jungle along the Buritaca River. Pass by farmland and get a glimpse into daily life in the small communities en route to the campsite. This first day of trekking is relatively straightforward and a good way to ease yourself into it. There is a combination of uphill and flat sections that lead the way to the first campsite. Continue uphill to reach Ricardito Camp, known locally as vista hermosa or beautiful view, sit back and soak them in. If the weather is right, sunsets and sunrises here are not to be missed.

Total distance: 7.6 km.

**Meals included: Breakfast | Lunch | Dinner**

#### **Day 3 Ricardito Camp/Teyuna Paraiso Camp**

Venture further into the lush jungle en route to Ciudad Perdida. Be prepared – today is a tough portion of the trek with a lot of steep views. Arrive at the campsite in the afternoon for some much needed relaxation by the river.

#### **Lost City Trek Day 2**

Ricardito Camp – Teyuna Paraiso Camp 8h 14-15km

Begin trekking alongside the Buritaca River early in the morning. Pass through more farmland used for growing coffee or raising cattle. Climbing on this part of the trek can be challenging as the route progresses uphill from the riverbed and through the humid jungle. Take a look at the unique, circular huts that make up some of the Kogi villages in the area.

Total distance: 14.7 km

**Meals included: Breakfast | Lunch | Dinner**

#### **Day 4 Paraiso Camp to Mumake Camp**

Wake up early feeling refreshed, recharged (hopefully!) and start your trek to La Ciudad Perdida. Climb the 1200 ancient steps and explore the different sacred sites of Lost City. Later, continue trekking through the deep jungle today on winding paths through banana trees and cacao plants as you make your way to Mumake Camp. The total hiking time today is 8 hours with about 3 hours to explore the Lost City.

#### **Lost City Trek - Day 3**

Teyuna Paraiso Camp – Mumake Camp 8h-9h 8-9km

The once-forgotten city is only an hour away and to get there you must climb the 1,200 steps built by the ancient Tayrona people. This is a very steep climb, but the rewards of the climb are more than worth it. Once at the site, the guide will explain the history of the Lost City and what is known of its origins. It is estimated that only 10% of the site has been discovered. Head back to the campsite for lunch and a swim before beginning the trek back the way you came to Mumake Camp. Most of the trek today is downhill which can be hard on the knees, a walking stick might be useful.

Total Distance: 8.6 km

**Meals included: Breakfast | Lunch | Dinner**

#### **Day 5 Mumake Camp to Las Cascadas Camp**

The group will have an early departure from Mumake Camp. Hike past the village of El Mamey and arrive to Las Cascadas Camp where you'll have lunch and rest for the remainder of the day.

#### **Lost City Trek - Day 4**

Wiwa Camp – Las Cascadas 3h-4h 8-9km

Head back along the same path through dense green jungle, pass by banana trees, Kogi communities, and grasslands. Continue uphill to reach Las Cascadas Camp, known locally as vista hermosa or beautiful view, sit back and soak them in. If the weather is right, sunsets and sunrises here are not to be missed.

Total distance: 8.6 km

**Meals included: Breakfast | Lunch | Dinner**

#### **Day 6 Santa Marta**

In the morning, take in your last views of the jungle as you trek back to Machete Pelao. Transfer to Santa Marta where the rest of the day is yours to relax.

#### **4x4**

Machete Pelao – Santa Marta

Roads? Where this rough-and-ready vehicle's going, we don't need roads.

#### **Lost City Trek Day 5**

Ricardito Camp – Machete Pelao 5h-6h 7-8km

Continue the hike back down to Machete Pelao following the same route that you took in. The farmland will look familiar, but the scenery remains spectacular. Take in your last views of the jungle and local village life before heading back on the grid.

Total distance: 7.6 km

**Meals included: Breakfast | Lunch**

#### **Itinerary Disclaimer**

---

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

#### **Important Notes**

---

Please Note: The Lost City Trek is closed for the month of September each year in order to preserve the trail and complete general maintenance and upkeep.

Hiking days are between 4-6 hours a day, and the highest altitude reached is 1,200 m (3,937 ft) at the Lost City itself. The humidity and the heat makes the trek challenging. Throughout the year the temperature is generally between 35-45 degrees, and there can be heavy rain and muddy conditions.

Along the trek, you will be required to carry your own gear. We recommend not carrying more than is necessary for the route. One or two changes of clothes is enough to give you a change for each day on the trek. Please bring a bag that is sufficient in size to carry what you might need. It is possible to hire a mule to carry equipment for the trek, at a cost of 40-50USD per day.

Dry season (December - March), the trail can be dry and dusty. When the rains arrive (April - November), the trail can be muddy and slippery underfoot. This also affects the numerous river crossings, as the rainy season brings higher rivers. This can mean that river crossings can be as high as waist height, so we recommend that you bring a dry bag or a plastic bag to cover your daypack as you might need to carry this above your head to keep it out of the river.

As the majority of this trek is through the jungle, please be aware of the presence of mosquitos and other bugs. We highly recommend bringing some form of insect repellent. While the campsites have mosquito nets over the beds and hammocks, mosquitos can be unavoidable at times. A sleep sheet can help to prevent bug bites at night as well.

Drinking water: The water comes directly from the rivers, and you can refill your bottles at every camp. It is well treated with filters and uv light, but still, sometimes when we have heavy rain, the water comes through a bit dirty after the treating process. Even without the presence of micro organisms, sometimes the presence of minerals can upset a sensitive stomach. Normally the water is not an issue, but in case you don't feel like drinking that water, there are shops at the camps and at many checkpoints on the road where you can buy it.

Please note that electricity is available in each camp between 5:00 pm to 9:00 pm.

#### COMBO TRIP

Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

## Group Leader Description

---

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

## Group Size Notes

---

Max 16, Avg 10

## Meals Included

---

6 breakfasts, 5 lunches, 4 dinners

## Meals

---

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. On trek in Colombia the food is plentiful and designed to give you the best possible fuel to walk each day. Meals are prepared by a cook who accompanies each group on the hike. Typical breakfast includes juice, eggs, coffee or hot chocolate, fresh fruit. A common lunch would be chicken/fish with rice and juice. Dinner will usually include meat, chicken or fish, with rice, vegetables and a sweet or chocolate for dessert.

## Transport

---

4x4, walking.

## Solo Travellers

---

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

## Accommodation

---

Hotels (2 nts), camping (4 nts hammocks/rustic bunks).

## Rooming and "My Own Room" Exceptions

---

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single accommodation for all night stops, with the following exceptions: Days 2-5 for the Lost City trek.

## About Accommodation

---

Accommodation on the Lost City trek varies from day to day. In the campsites, the majority of the accommodation is in hammocks or bunks, with a mosquito net for cover. In the campsites, there are cold showers, flushing toilets and seating areas. Some of the campsites have lighting and power sockets, although these are not always guaranteed to be available. Because of the humidity, we do not suggest bringing a sleeping bag, as it would be too hot. Recommended is a sleeping sheet or a sleeping bag liner that can provide a level of comfort at higher temperatures.

## Joining Instructions

---

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

Simon Bolivar Airport is approximately 20 minutes away from the joining hotel. The cost of a taxi to the joining hotel is approximately 20.000 COP.

From Cartagena a shuttle costs around 50.000 COP and it takes between 3 to 4 hours to get to the joining hotel in Santa Marta.

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

## Laundry

---

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

## Visas and Entry Requirements

---

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

## Spending Money

---

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## Money Exchange

---

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollar cash, travellers cheques and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

## Emergency Fund

---

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

## Tipping

---

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although

it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$40-50 USD per person, per week can be used.

## Optional Activities

---

Santa Marta

- Gold Museum Santa Marta (Free)
- Quinta San Pedro Alejandrino (23000COP per person)

## Safety and Security

---

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

## A Couple of Rules

---

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

## Travel Insurance

---

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
